SOUTHERN REGIONAL GROUP

The next meeting will be held at 2pm on Sunday 20th February 2011 in Carrickalinga House, 17-19 Torrens Street, Victor Harbor. Rod and Judy McRedmond will present the Club's Shadehouse Presentation which takes you into the backyards of some of our members.

Happy birthday wishes to Russ Sutton who celebrated her 90th birthday on 23rd January 2011. We hope you had a lovely day.

LIFE MEMBERS

Bev and John Gay are very well known in the orchid world and joined S.C.O.C. in the early 70's. John is a judge and Bev a very knowledgeable lady who can be found on the computer typing results. Over the years both have been a tower of strength to our Club. Whenever there is a job to be done you will see John and Bev attending to it very capably. John and Bev both attend Southern Regional Group as guest speakers and to assist at Workshops. Bev passes on her knowledge to members and helps with computer work at Shows. At Daytime Chapter John is guest speaker at least twice a year and both John and Bev love chatting away to the members.

BIRTHDAY DRAW is your name in the book?

LUCKY NAME BADGE make sure you wear your Name Badge, you may win a prize.

BEGINNERS' CLASS

The Club's Beginners' Class needs a member with a wide knowledge of all genera to be prepared each month to sit in on Beginners' Class and share his/her knowledge with fellow members. In the past we have had a different member each month to talk at the class, and this has worked very well. However, there is always room for improvement and I feel this way the instructor will get to know members and be able to cater to each member's needs.

BEGINNERS' CLASS PROGRAMME 2011

Guest Speaker for February Meeting

The guest speaker for our February meeting is Michael Mathews from Rapanyup in Victoria. He is a member of both the Stawell and Horsham clubs. Apart from being an excellent grower of a number of different genre, he has grown and shown many Grand Champions and Champions over the years at the shows held by the abovementioned clubs and at the Victorian Country Challenge.

Michael's other hobby is photography. The images in the presentation are all his own. He is also the official photographer for the Victorian Country Challenge.

We will be treated to a powerpoint presentation of the Conference in Taiwan. This is a not to be missed. Most of us aren't in a position to attend an event of this nature, so come along and be treated to the presentation in the comfort of our meeting hall. I look forward to seeing you there.

AUDITOR'S REPORT

22nd January 2011

TO: The Committee and members of the South Coast Orchid Club

REFERENCE: Audit of club books January 2011.

I have examined the books of the club for the year ended 31st December 2010. The audit methodology adopted was as follows:

Two months of cheque transactions were randomly selected for audit. All transactions were proved back to the bank statement, and no anomalies were detected.

About 10 deposit amounts were randomly selected from the bank statement and analysed back to source receipts. Again, no anomalies were detected.

The Financial Statements were examined for reasonableness of structure and legibility, and I am satisfied that they present a reasonable view of club operations.

Based on the records presented to me and on the samples selected for examination, in my opinion the Statement of Income and Expenditure and the associated Statement of Assets present a true and fair view of club operations for the year.

William J van de Water, B. Bus (Acctg)
Aberfoyle Park

TREASURER'S REPORT as at 31/12/10

You will see from the statements enclosed with this Gazette, that despite another difficult year where our plants have continued to suffer following years of drought, the Club continues to be financially sound.

The Club presently has a short term investment of \$10,000.00 with the ANZ Bank and we have a healthy bank balance as at the 31st December of \$3,867,22. All accounts to the end of the year have been paid.

You will see from the statements that our Autumn, Winter, Spring and Victor Harbor Shows have generated good profit.

The trading table is primarily run to provide specialist products to you the members. Items for sale are sometimes unavailable at local hardware stores. The trading table sales have also realized a good profit.

This income has enabled the committee to continue to subsidize social events and to award members with prizes, ribbons and trophies. This year the committee has also reintroduced small amounts of prize money.

Financial records to the 31st December 2010 have been audited by Mr William van de Water, a registered chartered accountant.

PRESIDENT'S MESSAGE

PRESIDENTS REPORT 1/1/10 TO 31/12/10

The Committee found 2010 to be our most challenging year with the excessive heat conditions in the Summer months and with the strict watering restrictions all our Orchids suffered. Hence we had a shortage of plants for our four Shows.

However, with the support of our Commercial growers and you our wonderful members our Shows were a success. We asked for your support and you all rallied around and made me very proud to be your President. Considering the conditions we had excellent profits and the displays were a credit to you all.

February and October we had two interstate guest speakers – Phina and Brian Gerhardt and Clive Halls. These speakers passed on a lot of positive information.

October our Plant House Visit

Our first port of call was to the Fisher Family then to Valley Orchids and on to the Higgs property at Myponga for our plant house visit and BBQ.

March

Rob Worden made the trip down from Port Pirie to tell us all about his Cattleyas and how he grows them.

April

Colin Jennings showed us his very interesting video and passed on information he has learned over the years.

May

Our Autumn Show and guest speaker Sophie Thompson. As usual Sophie gave us a very interesting talk.

June

Main meeting had a workshop where members gained a lot of knowledge from this meeting. Peter and Jeanie Hall came along from the Cym Club and showed how they grow their Cymbidiums and 3 of our own members hosted the other tables. We received a lot of positive feedback from this meeting.

Southern Regional Group had its Workshop with many of our main group members assisting. We also had a display in S.A.R.O.C. Fair, this was a great weekend.

July

A Shade house presentation by Judy and Rod McRedmond who spent hours with members putting this presentation together.

August

Graham Zerbe, as always, gave a great presentation.

Southern Regional Group had their Show which was very successful.

Our Bus Trip to Sims Orchids, Virginia Nursery and Noel Olivers.

September

Trevor Garard showed a video and told us how he grows his Phalaenopsis, a great evening.

Our Show at Arndale once again successful, but by this time selling plants were very scarce.

November

An interesting presentation by Jane Higgs all about their property at Myponga.

December

Party time and our guest speaker thrilled us with their holiday to Ecuador, what a perfect trip.

The Daytime Chapter

Dorothy does a wonderful job looking after this group. Members would not miss their special afternoon. Two members well into their 90's others not far behind, all enjoying a common interest.

2011 will be their silver anniversary (25 years) thanks to Keith Northcote for having the vision to start this great group. Members support main group at Show times and Bus trips.

Southern Regional Group

I take pride in being the convenor of this Group, the knowledge they have gained in 5 years is a credit to them. The Group often puts plants into our main Shows and take part in our outings, bus trips etc.

Very interesting people have made their way to Victor Harbor, to visit and be guest speakers. Kevin Cattermole from Napperby (Pt. Pirie) came in September, John and Bev Gay and Noel Oliver are wonderful supporters. The Group has members from Victor Harbor, Port Elliot, Middleton, Goolwa, Second Valley, Onkaparinga Hills and Pt. Noarlunga.

Once again it has been a pleasure to be your President over the past 12 months. Next year I hope it will be easier for us all growing our orchids.

Thank you to Committee and a special thank you to Lucy, Dorothy, Rod and Judy for a job well done and all members who work behind the scene.
Geoff.

SCOC New Year BBQ

65 members attended the SCOC BBQ held at the Main clubrooms on the 5th January 2011. The evening was cool with a slight breeze.

The members had a great time catching up and talking about the Christmas break and of course, orchids.

Thankyou to Graham Zerbe for cooking the BBQ and to committee and other members who helped on the night.

Helen and Kevin Western attended along with friends Dianne and Murray Harding from Victoria, who are staying with them for a while. Murray will be the guest speaker at the SOROC fair this year talking on his favourite genre, speciosum.

Thankyou also to Leslie and Peter Fenton for their donation to the raffle table.

DAYTIME CHAPTER REPORT

Hi Everyone,

I am sure that everyone who attended our Daytime Chapter in December will agree that we all had a very pleasant time together, celebrating the coming of Christmas with the singing of carols. We even had our carols set to music this year. Mr. Bill Clark had a friend do this for us. It certainly helped us all along by keeping us all in time. A great idea so thanks Bill, much appreciated. Father Christmas had time to call in. He was full of good cheer and had a little gift for us all. Thanks Father Christmas for taking some time out to visit us.

Our afternoon tea was a real treat, everyone rose to the occasion and all brought in a lovely assortment of food to share. Thank you all.

Mr. Noel Oiver, a very experienced grower of many lovely orchids and a great guest speaker, bought in a large assortment of plants for us to admire. Noel talked of his growing conditions and the best way of achieving good results with your orchids. Many questions were asked of Noel who answered them accordingly. Noel even bought in a lovely oncidium Orchid which he auctioned off to the highest bidder. Thank you Noel and well done, always a pleasure to have your company. Thanks also to Eileen Pinnock for coming to the daytime Chapter, all the way from Victor Harbor.

Apologies today from Mrs. Berna Viney and Margaret Wagner. Both had gone interstate on Christmas holidays. Hope your Christmas was great and we will see you both again soon.

Our display table was down a bit today on variety but still quite a few lovely plants were presented, all very well grown and lovely to see. Bill Clark even decorated his lowianum plant for Christmas, it looked really nice. Thanks to Bill for taking the time to do this.

Mr. Don Biebrick's catleya 'Summer Stars' X Epi. Marie X Purparator, a lovely pale mauve flower with very attractive markings on the labellum, was voted best in display. Congratulations Don, well done.

Also, thanks again to Noel Oliver for doing the plant commentary.

Our meeting was closed, everyone happy and smiling. We hope you all enjoyed a merry Christmas and wish you all a healthy new year

Bye

Dorothy

SOUTHERN REGIONAL GROUP

We had a great turn out today with 30 members attending the meeting and 34 at the dinner. The President told us the Christmas Dinner was fantastic. It was held at the Middleton Tavern. We had 7 Orchids on display, a lovely miniature Dendrobium, Phalaenopsis, Oncidium, Cattleya and miniature Cymbidium. Noel Oliver and Colin Campbell judged the Orchids.

The President welcomed new member David Robinson who recently moved from Victoria. He was presented with his badge and plant.

Guest Speakers Peter and Geraldine Flavel spoke on Gem Stones. Peter passed around different Gem Stones: N.Z. Jade, Beryl Cross. Peanut Wood, Faceted Glass, Gypsom, Mica, Topaz, rough and polished etc. Then we had slides of before and after pictures of Gems, also stories that go with them. A very informative and interesting talk. A big thank you from us all.

Everyone chose a Christmas Gift.

At our February meeting we will have an extra special afternoon with Rod and Judy McRedmond's Powerpoint Presentation of Members' Shadehouses, to show us how the main club members grow their plants. Rod and Judy visited a number of members to see their shadehouses and made a great presentation to show members.

Judging of Plants - Plant of the Day: a Phalaenopsis grown by Keith and Russ Sutton (See photo below).

Members' Choice: a Cattleya grown by Reg and Elsie Clifford.

Father Christmas arrived and gave us all a Chocolate.

We wish you all a Happy New Year.

Lyn Davey.

December Plant Commentary:

Open Division and Flower of the Night: *Den.* Impact benched by Geraldine and Peter Flavel. A tall plant of four canes with two leaves each. The plant carried three inflorescences, one with nine open flowers, another with nine open flowers and a few buds still to open and a third with 4 open flowers and more than 10 buds. Flowers were 80mm wide and 75mm from the tip of the dorsal sepal to the tip of the labellum. All segments were deep purplish-pink shading to cream/white at their bases.

Flower of First Division: *B/c.* Goldmine 'Corona' grown by Rito and Rosetta Sylvestry. A large plant with 10 inflorescences with mainly 3 or 4 flowers which were 75mm across and 80 to 85mm tall. Sepals and petals were deep butter yellow shading orange/yellow towards their tips, the petals having deeper shading than the sepals. The 3 lobed labellum was deep red shading to orange at the base.

Flower of Second Division: *Cym.* Little Beauty 'Sundaani' grown by George Misirlis. A large plant with four inflorescences at least 90cm – 100cm long cascading down over the pot, each with at least 50 flowers open. Flowers were 25mm wide by 35mm long and all segments were a deep mahogany red with the sepals and petals having a very fine pale yellowish edge.

A few other plants benched by members:

Bif. harrisoniae benched by Paul and Donja Hayes. A well-grown plant with one inflorescence of two flowers 75mm wide by 65mm tall. Cream/white sepals and petals, light yellow at their base, a deep purple labellum and a white column.

Epi. Topaz Delight grown by Pauline and Mark Hockey. A nice plant with 6 inflorescences mostly with many open flowers and some buds still to open. Sepals and petals were deep purplish-pink as were the three lobes of the labellum that was white at the base.

B/c. Sylvia Fry 'Wallacia' benched by Noel Oliver. A single flower on a medium sized plan, 140mm wide and 145mm tall. Deep purple sepals and petals with the petals shading lighter towards the base. The mid-lobe of the labellum was deep purple, side-lobes folding up over the column and the labellum shaded to yellow and purple at the base.
