**BBQ. WEDNESDAY 4<sup>TH</sup> JANUARY 2012 AT 6.30P.M. ST. BERNADETTE'S CHURCH**

How nice to start the year off with your orchid friends. No meeting, just a fun time with your mates. The Club will provide BBQ meat and could you please just bring a salad or finger food dessert. You may BYO as long as alcohol is consumed inside the hall.

If you have an orchid plant in flower, bring it along and you can enter it for popular vote. It costs 50 cents per plant to enter and the owner of the plant which wins the popular vote will receive half of the total entry money.

AND..... following the meal there will be a pleasant surprise.

Our BBQ was a great success last year. Come along and join in the fun.

### **BEGINNERS' GROUP PROGRAMME FOR 2012 – NEW FORMAT**

The Beginners' Group is held upstairs before the main meeting.

I (President Geoff) have taken a survey over the past 12 months of members attending this group. I have found newer members feel they would rather ask questions or bring along a plant they are having problems with, for advice. It would appear that instead of a set programme, an informal chat about orchids would be preferred. We will try this in March, April and May and see how it goes.

Also from the survey we found that members who have been in the Club for some time seem to take over the meeting. You are all welcome to attend, but remember we are there to help the beginners.

See you at the March meeting.

#### **POSITION VACANT**

Beginners' Group Convenor. This is a very rewarding position to take on to pass on your knowledge.

## **PRESIDENT'S MESSAGE**

On behalf of the South Coast Orchid Club of S.A. Inc. Committee I would like to extend seasonal greetings for Christmas and New Year 2012 to you all.

When writing my messages I usually look at that month's letter from the previous year. (2011 message – Let's make 2011 the very best Orchid growing season ever). Well, you certainly did that. I could not believe where all the plants came from at the Winter and Spring Shows. Thank you one and all.

Our younger members are celebrating next year. Rowan Crowhurst turns 21 at the beginning of the year. Daniel Spear 18 in June and Daniel Lutz 19 in November.

Our Show at Hallett Cove was a winner. It was a lot of hard work (we had to transport our own trestles) and it was a long way for a lot of members to travel to help on the Trading Table. Luckily, we have quite a few Southern members. We are booked in there again for next year.

We must all look to the future **we need** a President, Secretary and Assistant Secretary for 2013. As I said before, if necessary we will do **only** one more year. What a great time for someone to put up their hand at the A.G.M. and say either I will do the job or come on Committee and learn the business for 2013. This is my 9<sup>th</sup> year, Lucy's 13<sup>th</sup> and Dorothy's 8<sup>th</sup>.

An interesting programme has been put together for next year. The BBQ was such a success last January and this will be repeated. So pop the 4<sup>th</sup> January in your diary now. For the February meeting we will have as our guest speaker, Randall Robinson from interstate. Plus we also have another speaker S.C.O.C. have not heard before with very interesting subjects.

This year has seen many members and committee members not in the best of health. Let's hope 2012 is much kinder to us all.

To all who made 2011 a great year, thank you.

Happy festive season,  
Geoff.

November's guest speaker, Mr. Kevin Hipkins from New South Wales, (second from right) took some time out to visit the nursery run by Nico with Geoff and Lucy and Rob Worden

## Daytime Chapter

Hi Everyone,

Well another great day was had by all who attended our meeting today. Mr George Abel was our guest speaker, very ably assisted by his lovely wife, Patti. George is a fantastic grower of many, many sarcochilus orchids. George says he has approximately 2,500 plants! Patti was telling me today what a joy it is to see all these lovely orchids out in flower. It certainly must be something to behold.

George's talk was very detailed and professionally done, answering many questions that the members were asking of him. Lots of notes were taken by several members. There is always something new for us all to learn and something else to try.

George brought along some of his plants for sale which the members really appreciated. Thank you both for sharing your afternoon and your wealth of knowledge and expertise with us all.

Apologies today from Don and Audrey Biebrick, Marie Bravery, Peter and Geraldine Flavel and Bill Trevaskis, we all hope you will all be feeling a lot better very soon.

Geoff did our plant commentary. There was not much on display today as the major flowering season is coming to a close. However, Geoff and Lucy brought in some lovely sarcochilus and oncidium plants. Raelene and Bob brought in a lovely cattleya and Bill Clark presented a lovely cattleya as well. Bill's plant was voted best in display, a cattleya L. skinneri alba x Lc 'Trick or Treat'. A beautiful specimen size plant with six large spikes of dark cream flowers with a lovely dark purple labellum. Congratulations Bill, well grown and presented, well done.

We had a visitor today, a lady by the name of Helen Bass, Helen was someone we had met earlier at one of our shows and she popped in to see what we were all about. I think she was very pleased and seemed very keen to learn about orchids. Thanks Helen, it was lovely to meet you again.

Our meeting next month is our Christmas break-up, so as usual please bring along a plate of goodies for afternoon tea plus a gift to the value of \$5 to \$6 (something you would like to receive yourself) if you would like to participate in our bring a gift receive a gift segment. This is not at all compulsory to do.

Hoping to see you all next month.

Bye Dorothy.

George Abel holding the members wrapt attention during his presentation on sarcs.

## WORKSHOPS HELD AT THE MAIN AND SOUTHERN REGIONAL GROUP

Both Workshops were well attended and were fortunate enough to have perfect weather.

### Main Group Workshop

The Main Group Workshop was held at the home Rod and Judy McRedmond on the 29th of October. We got off to a great start with tea or coffee and scones with jam and cream.

The Workshop covered four different genera ie phalaenopsis, dockrillia, cymbidium and cattleya. Noel Oliver, Geoff Spear and Judy shared their knowledge regarding culture and members watched demonstrations before being able to pot up their own plants to take home.

Rod and Judy donated raffle plants and each participant received a gift orchid from the McRedmonds' garden.

Rod and Geoff cooked the BBQ. Each participant brought a magnificent salad or dessert. We all ate too much, laughed a lot but most importantly learned a lot.

President Geoff closed the Workshop by thanking everyone for making it such a great day.

### **Southern Regional Group Workshop**

Once again a perfect day!

The four subjects discussed by Colin Campbell, John Gay, Noel Oliver and Geoff Spear covered Paphs, Cattleyas and mixed genera, Mounting Dens and Cyms.

A delicious BBQ was cooked by Chef Reg. Thankyou members for the wonderful salads that you brought along to the workshop.

The President closed the Workshop by thanking presenters, Reg & Elsie, for all their hard work and allowing us to visit their home and members for coming and bringing such a delicious repast to share.

## **Meeting Sunday 20<sup>th</sup> November 2011**

### **Beginners' Class**

Today we experienced lovely Spring weather in Victor Harbor and it was great to see the young schoolies enjoying the views and fresh sea air.

President Geoff led the beginners' group in discussions on seeking out and dealing with the dreaded spider mite. It was good to see that many of our experienced orchid growers also attend these sessions and add to the sharing of information which is so helpful to new members.

### **Meeting opened 2.00 pm.**

Geoff welcomed 21 members and Guest speaker George Abel and his wife Patti.

Condolences are to be extended to Grace Noll, whose husband Martin passed away today after a long illness and time in a nursing home. Our thoughts are with Grace and her family.

Reminders were given for the Christmas lunch at Urimbirra 11.30am for 12noon on 18<sup>th</sup> December and the club meeting at Carrickalinga House which would be starting at 2.0pm without the usual Trading Table. We were asked to bring a plate of goodies to share for afternoon tea and it was requested that all library books be returned for annual audit.

Graham Zerbe would be our December Guest Speaker to talk about 'Dangling Cybidiums' and for the following meeting on February 19<sup>th</sup> 2012 there would be a Shadehouse Presentation.

Guest Speaker George Abel shared with us his enthusiasm for the genuine Australian Native Orchid *Sarcochilus*. Thanks George for an instructive and interesting talk.

## November Plant Commentary

### **Flower of Open Division and Flower of the Night:**

Arpophyllum giganteum benched by Lucy and Geoff Spear. A large plant with twenty upright inflorescences carrying many tiny flowers (approx. 7mm across and 5mm tall). The flowers were lavender pink with a slightly deeper labellum. Geoff commented that he had been growing this plant for about 9 years but this is only the third time that he had seen it in flower.

**Flower of First Division:** L. purpurata 'Pink Lip' benched by Judy and Rod McRedmond. A well grown example of this species with three inflorescences, two with open flowers and the third with three buds still to open. Sepals and petals were pure white, the labellum white with shades of pink on the outside, deep pink on the mid-lobe and yellow at the base.

**Flower of Second Division:** Sarc. Heidi 'Ross' grown by Michael Willoughby and Oui Ju. This was a very well grown plant with very clean pristine flowers well arranged and displayed.

### **A couple of other flowers on the bench:**

Cym. (Dutchman's Delight x Pink Champagne) benched by Michael Willoughby and Oui Ju. This seedling plant had five flowers on a single inflorescence, the flowers being 110mm across and 105mm tall. Sepals of white base overlaid with fine light pink spotting and venation. The labellum

## Spring Show Photos

Grand Champion, Champion of Open Division and Champion Oncidiinae was Mclna. Pagan Love Song 'Ruby Charles' benched by Peter & Geraldine Flavel.

Champion Australian Native, Champion of First Division and Reg Shooter Trophy Award (Hybrids) was Den. Tyabb 'Young Splendour' benched by Malcolm Young.

## **Spring Show Photos (cont.)**

Champion of Second Division was Coel. Intermedia benched by Trevor Stutley.
